## Shuttle Bus Service

### Inter-Campus Shuttle Bus Service

\*Passengers must wear a mask while riding the inter-campus shuttle bus.

The Inter-Campus Shuttle Bus Service is a free shuttle bus service that runs between the three campuses -- Toyonaka, Suita, and Minoh. This goal of this service is to cut down on the time burden that comes with moving between campuses in order to secure a comfortable working environment for OU students, faculty, and staff.

Students and faculty and staff members can use these buses for attending classes, participating in extracurricular activities, and education and research-related activities on other campuses; however, neither can use them for commuting.

\*Do not use the Inter-Campus Shuttle Bus Service for commuting; please use public transportation to commute to your main study/research location.

\*You may, however, use the Inter-Campus Shuttle Bus Service to travel between campuses if you must attend courses on a different campus than your main study/research location.

**Inter Campus bus runs between 3 campuses (free of charge)**  
**It's been operating from October 3<sup>rd</sup> , Monday.**

## Cautions

### Cautions on consumption of Alcoholic beverages

College students have a lot of opportunities to drink such as welcoming parties, college festivals, and club parties. However, with these increased opportunities, come an increase in serious alcohol-related incidents, some resulting in student death! Although you may not be aware of it, certain student have suffered acute alcohol poisoning and some have even been rushed to a hospital in an ambulance.

Much of this acute alcohol poisoning is caused by binge drinking. At parties, ***avoid getting yourself involved in binge drinking*** in any way! Don't do such drinking yourself and never get involved in making someone else binge drink!

**Remember :** *If you should t  
you could be charged as an*

## Cautions

### Substance abuse -- not a joking matter

#### ATTENTION, ALL STUDENTS...

Experimenting with and using various "substances" --drugs-- is on the increase among young people.

Don't fool yourself -- there's no such thing as "Just once."

Getting hooked on a drug is not just a personal matter. Beyond the havoc drugs can wreak in your health, life, and studies are the pain caused to friends and family, the run-ins with police and legal authorities.

## Cautions

### Be careful not to give in to cult solicitation

NEW! Check out the official Osaka University YouTube Channel for videos on strategies to avoid cult solicitation:

[ [Part 1](#) | [Part 2](#) | [Part 3](#) ]

There are some cults that pretend to be a sports club or a volunteer club to approach students, especially freshmen, and take them to a church or game arcade to admit them into the club. Unfortunately, some OU students have been victimized.

These groups advocate "deepening friendship," "thinking of life," "considering the environment," and "contributing to local communities and international society," and seemingly look to do great activities; however, they are actually antisocial destructive cults built on a one-way dependent relationship to a specific leader.

Their technique for solicitation is so ingenious that individuals, without realizing it, fall under mind control, implanted with senses of fear and guilt, and controlled by cults. Eventually, they will mentally, physically, and financially undermine victims, destroying their youth.

Other than solicitation to a circle, these cults may approach you by saying, "We are seeking your cooperation with our surveys," "We will explain about class registration," or "Won't you join our seminar for considering life?"

## Tips for living in a rental apartment in Japan

### House rules / points for daily attention

- Read over your lease contract, the resident manual and follow the instruction.
- You are not permitted to live with someone who isn't on the lease.
- Be careful not to be noisy late at night.
- Follow the rules for taking out the garbage.

(The way for putting out the garbage differs depending on the neighborhood in which you live, so ask the landlord (the management company) or the municipal office about the rules for taking out the garbage.)

- Please contact the landlord (the management company) and the department office immediately when you have any troubles in your apartment.

### When you leave your apartment for a long time....

- Be sure to pay your rent in advance when you leave your apartment for a long time, such as an extended leave or travel for temporary visit.
- You should also inform the landlord (the management company) and the department office that you will be away for a long time.

### When you move out....

- You should notify the landlord (the management company) that you wish to move out at least one month in advance.
- Please do not leave any of your possessions or garbage behind and ensure that it is clean.
- You should check in advance how to dispose home appliances and bulky garbage.

Along with the landlord (the management company), you should check the degree to which restoration (returning the apartment to its original condition) is required. Payment may be required if there are things left in the room or if the room is damaged. As such, it is important to keep your apartment in a good condition and clean it properly at the end.

### ◎Comprehensive Insurance for Students Lives Coupled with "Gakkensai"◎

You would be required to enroll in an insurance, because the resident must respond to a large amount of compensation claims when an accident or fire occurs. Osaka University offers you "Comprehensive Insurance for Students Lives Coupled with 'Gakkensai'". You can also make use of "Coop-Rent Insure", Joint guarantee agent system, in case you need a guarantor.

### "Campus Members" -- Museums and Art Museums

Osaka University continually strives to provide opportunities for students, faculty, and staff to experience and be exposed to primary sources of culture, art, science, and history.

As a signatory to group contracts referred to as "Campus Members," Osaka University now provides students, faculty, and staff with what, in some ways, resembles extensions of its campuses. That is, by showing your student or faculty/staff ID card, students, faculty, and staff are able to gain admission at "no charge" [see #4 below] to the museums and other facilities noted below. Moreover, you can return again and again!

The Kansai area is particularly rich with a wide variety of museums and gardens. Therefore, students in particular, *please make use of these opportunities to expose yourself to valuable primary sources of culture, art, science, and history!*

As of April 2018, "Campus Members" includes the following:
