詳細情報		
授業サブタイトル／Course Subtitle	Major Legal Systems of the World English 聴講・視聴,読解,討論  The main objective of this course is to introduce students to the study of comparative law and to some of the world's major legal systems. It provides students with basic knowledge, understanding and insights useful for further studies in comparative law or related subjects. The course discusses the basic concepts of comparative law, including its aims, methodology, challenges and the notion of legal families. It also introduces students to the different models of legal systems in the world, enabling them to understand their general characteristics and how they function.  There are no requisites for this course except interest and willingness to learn. Attendance is mandatory unless excused. Details will be provided in class. None in particular. Necessary materials will be provided by the lecturer. Uwe Kischel, Comparative Law (2019)  Final report 70%, Class participation (including regular attendance, participation and contributions to the discussions, attitudes during class, etc.) 30%.  #REF!  Special needs and necessities of the students will be taken into consideration during the lectures. Students are encouraged to discuss with the instructor when necessary. Reservation by email at any time
