開講言語 / Language of the Course	English
学習方法 / Learning Method	聴講・視聴, 読解, 討論
授業の目的と概要 / Course Objective	Japanese law presents many peculiarities. For some, it is a modern legal system and a leading democracy where the law is effectively applied under the rule of law. For others, it is a complex and impenetrable legal system. However, despite this divergence in point of view, all agree that Japanese law is a fascinating field of study. This course's main objective is to provide students with basic knowledge of Japanese law and the Japanese legal system. It discusses the current status of Japanese law, its basic structure, sources of law, actors of law, court organization, dispute resolution and constitutional law.
