授業の目的と概要/Course Objective	This course is designed for advanced students to develop speaking, reading and writing skills in Japanese.  The specific objectives are:  (1) to develop fluency in using advanced structures and grammatical items typically used in authentic Japanese materials.  (2) to deepen students' understanding of the issues in current Japanese society and global issues.  (3) to express their own opinions about the issue logically in Japanese both in written and spoken language.  In this class, we will consider "Escaping Poverty". At first glance, this may seem to be a topic with which you are not familiar. However, that is why it is important to know what kind of problems are happening in the world. Through thinking about this complex issue and working together, we will also improve our Japanese language skills.
